

Your summarised rental terms and conditions

1. Renter or driver must present a current driver's licence that has been held for at least one year at the time of rental and also his National Identity Card or Passport. In addition he must comply with the Rental Company's age and other restrictions in order to guarantee due performance of the agreement.

2. Renter declares that he has received the vehicle in good condition, as described on the Rental Vehicle Condition Report, and undertakes to return it in the same condition. The vehicle must be driven solely by Renter or where applicable the authorised driver, who must be listed as insured in a Motor Vehicle Insurance policy that only includes compulsory third party liability and unlimited third party damages.

3. Renter must return the vehicle to the place and on the date fixed by the Rental Company, and will pay for the fuel consumed. This can be paid by using the pre-paid fuel option, or by returning the vehicle with a full tank, or by paying the Rental Company the cost of filling up the tank, in this case subject to an additional charge, in accordance with the rates published.

EZFuel: Customers who drive 120 Km or less will be charged an amount of €12.00 for the administrative costs of the refuelling service. If the customer chooses to refuel on their own, they must provide a fuel receipt in order for the EZFuel service charge to be removed.

4. Renter or the driver are responsible for complying with the legislation that applies to them, according to the laws of the country in which the vehicle is being driven and for its supervision and safety, and will be liable for any negligence when using it, and for the safety of occupants and property travelling in it, and are not authorised to dispose of the vehicle or any of its parts. In addition they may only drive the vehicle to the destinations authorised by the Rental Company, and may not use it for purposes other than those agreed.

5. Renter or the driver shall be liable at all times throughout the rental period for the use made of the Vehicle, as regards violation of traffic regulations in the countries where it is driven. Renter will pay a handling charge for every fine pursuant to the General Terms and Conditions.

6. Provided that he has complied with his obligations under the agreement, Renter may enjoy, if this has been previously agreed with the Rental Company, certain total or partial waivers of liability, if the vehicle is damaged or replaced in whole or part.
7. The Renter, who may raise an objection within 30 days of the charge being made, shall pay the rental and other administrative charges and expenses incurred by the Rental Company that are applicable under the Terms and Conditions. If payments have been made against a Credit Card furnished by the Renter, the Rental Company shall first obtain the corresponding authorization from the Bank issuing the Card, as stipulated in the terms and conditions.

If the Renter opts to make the payment referred to in the previous clause in a currency other than of the quotation for the rental, the interbank exchange rate published by Citibank shall be charged, increased by 4%, facilitating the Rental company this exchange service.

The renter accepts and gives his consent for the Rental Company to make the corresponding invoice available to him electronically. Should the Renter wish to withdraw his consent and receive the invoice in paper form, he can communicate this at any time by contacting Customer Service at the Renting Company's address appearing in this document.

8. In the event of theft or accident involving the vehicle, the Renter shall protect the interests of the Rental Company and the latter's insurance company at all times and shall not accept culpability if not applicable, and meet his obligation to report it and provide information within 24 hours, being liable for any damages that may arise from his negligent conduct.

9. Renter may, if this has been agreed with the Rental Company, enjoy the guarantees offered by Avis Assistance (PAI) or Avis Double Assistance (Super PAI).

10. The personal data you supply to the Rental Company will be included in a personal data file belonging to the said Company, which will be processed in order to facilitate the administration, performance and monitoring of the contractual relationship, and you may exercise your rights of access, rectification, opposition and cancellation at the address of the Rental Company given in this document.
